WHEREAS, the lot owners in Escalante Hills Property Owners Association, Inc., have been charged with certain responsibilities for maintenance of the Common Area and each dwelling by previous Declarations, supplemental Declarations and Amendments and are desirous of amending those responsibilities.

WHEREAS, the following amendments were approved by the homeowners of the Escalante Hills Homeowners Property Owners Association, Inc., on December 9, 2004. Twenty-five (25) homes in good standing voted to approve the change to the covenants. Four (4) voted against.

NOW THEREFORE, in consideration of the foregoing preamble, the undersigned declare that the following to be the desired amendments to the

Section 4. In addition, "Common Area" shall not mean what are commonly referred to as 'common elements', including any portion of the walls, floors or ceilings. Nor shall common area mean any portion of any chute, flue, duct, wire, conduit, bearing wall, bearing column or any other fixture lying partially within and partially outside the designated boundaries. Nor shall common area mean any shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, patios, exterior doors and windows or other fixtures designed to serve a single unit, but located outside the unit's boundaries. It is understood that this definition is in contrast to Neb. Rev. Stat. §76-839 (Reissue 1996) providing for common elements and unit boundaries.

ARTICLE V

Section 1. Maintenance on Dwellings

In addition to maintenance upon the Common Area, the Association shall provide exterior maintenance upon each Lot which is subject to assessment for exterior maintenance hereunder, including but not in limitation of the foregoing, **clear driveways and walks of snow and apply chemicals or sand thereto.** Exterior maintenance shall not include painting, repair, replacement and care of roofs, gutters, downspouts, exterior building surfaces, glass surfaces, doors, garage doors, mechanical garage door openers, or any mechanical equipment such as air conditioning condensers and related appliances and mechanical equipment. In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, guests, or invitees, the cost of such maintenance of repairs shall be added to and become part of the Regular assessment to which such Lot is subject. The Association, its employees and agents shall have to the right to go on any Lot or into or upon any dwelling or a Lot in the properties for the purpose of performing maintenance and is hereby granted a specific easement for such purpose.

Section 2. Exterior Maintenance Deadline

(2) The written list of requested exterior maintenance shall be generated by an inspection conducted by the Owner and a contractor approved by the Board. Upon receipt of the written list of requests, the Board will review the Owner's written list of requested exterior maintenance for applicability and approval under the previous Declarations and By-laws as mentioned in Paragraph (1) above.

(3) This deadline does not affect the Association's obligation to maintain such insurance on the exterior of the Lots in accordance with the Declarations and By-Laws of this Association, as from time to time amended, and under the laws of the State of Nebraska.

That except as hereinabove amended, all other provisions of said Declaration, and the subsequent Supplementary Declarations and Amendments thereto, are to remain in full force and effect with said exception.
