The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties, and for the improvement and maintenance of the Common Area and recreational facilities and the homes situated on the Properties.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Seven Hundred Twenty Dollars (\$720.00) per Lot.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the annual assessment may be increased by not more than the greater of either: 1) Five percent (5%); or 2) the

percentage rise in the Consumer Price Index (published by the Department of Labor, Washington, D.C.) for the preceding October over the prior year's October, without a vote of the membership.

- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the annual assessment may be increased above said percentage (Paragraph (a) above) by a vote of two-thirds (2/3) of each group of members who are voting by person or proxy at a meeting duly called for this purpose.

No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both monthly and special assessments, with respect to all improved Lots, shall be uniform in amount. In recognition of the fact that substantially all of the budget for the Association will be attributable to upkeep, maintenance and security upon improved Lots as opposed to unimproved Lots, the regular assessment for each unimproved Lot will be equal to ten (10%) of the regular assessment due for

each improved Lot. Said assessment may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments:
Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment not less than thirty (30) days in advance of the first month in which such annual assessment is to take effect. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V

related structures) in an amount equal to one hundred percent (100%) of the full replacement value of said improvements, without deduction for depreciation or co-insurance, against losses by fire, lightening, wind storm and other perils covered by standard extended coverage endorsements, and insurance against such other hazards of Directors of the Association. Such insurance shall not cover personal property of any Owner of any Lot, it being the Owner's sole responsibility to provide such insurance coverage. The Owner shall be responsible for payment of any deductible amount related to an insurance claim made with respect to the Lot owned by each Owner. The Association, in addition to the foregoing, shall provide liability insurance for the Association and for its members with respect to the Common Area only, any such liability insurance for the protection of the Owners of any Lots being the responsibility of each Owner.

Section 3. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the Property which may have been damaged or destroyed.

Section 4. Each Lot Owner may obtain additional insurance for such Lot Owner's own benefit and at such Lot Owner's own expense.

ARTICLE VI

EXTERIOR MAINTENANCE

In addition to maintenance upon the Common Area, the Association shall provide exterior maintenance upon each Lot which is subject to assessment hereunder, as follows: paint, repair, replacement and care of roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, and

other exterior improvements. Such exterior maintenance shall not include glass surfaces. Payments for exterior maintenance may be made from either annual or special assessments.

In the event that the need for maintenance or repair of a Lot or the improvements thereon is caused through the willful or negligent acts of its Owner, or through the willful or negligent acts of the family, guests or invitees of the Owner of the Lot needing such maintenance or repair, the cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

ARTICLE VII

ARCHITECTURAL CONTROL

After the construction of the original structure on each Lot, no building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VIII

ACCESS

The Association, its officers, employees and agents, and contractors and repairmen designated by the Association, shall have the right to go on any Lot for the purpose of performing maintenance and repair, making inspections and performing the duties of the Association hereunder, and the Association is hereby granted a specific easement for such purposes.

ARTICLE IX
