Vacant Lots shall not be used for dumping of earth or any waste materials, and no vegetation on vacant Lots shall be allowed to reach a height in excess of eight (8) inches.

15. No structure of a temporary character, trailer, basement, tent, outbuilding or shack shall be erected upon or used on any Lot at any time, either temporarily or

**ARTICLE II**  
**EASEMENTS**

A perpetual license and easement is hereby granted by Declarant to the Omaha Public Power District, US West Communications and any company which has been granted a franchise to provide a cable television system in the area to be subdivided, their successors and assigns, to erect, operate, maintain, repair and renew poles, wires, cables, conduits and other related facilities, and to extend thereon wires or cables for the carrying and transmission of electric current for light, heat and power and for transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5') foot wide strip of land abutting all front and side boundary lot lines, and an eight (8') foot wide strip of land abutting the rear boundary lines of all Lots, and we do further grant a perpetual easement to the Metropolitan Utilities District of Omaha, their successors and assigns, to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes for the transmission of gas and water on, through, under and across a five (5') foot wide strip of land abutting all streets. No permanent buildings or retaining walls shall be placed in the said easement ways, but the same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforesaid uses or rights herein granted. All such utility service lines from the property line to dwelling shall be underground. Easements relating to the landscaping areas are set forth in Declaration of Easements which has been filed with the Register of Deeds of Douglas County, Nebraska.

A perpetual easement is hereby granted by Declarant to the Association, or to the owners of the Properties if no Association is formed, for the construction and maintenance of a sign for the West Bay subdivision which shall be built by the Declarant on the property which is described on Exhibit "A" which is attached hereto and incorporated herein by this reference. This easement shall run with the land. A perpetual easement is hereby granted by Declarant to the Association, or to the owner of the Properties if no Association is formed, for the construction and maintenance of a fence which shall be built by the Declarant on the property which is legally described on Exhibits "B", "C", "D" and "E" which are attached hereto and incorporated herein by this reference. These easements shall run with the land.

**ARTICLE III**  
**NOTICE OF POTENTIAL TELEPHONE**  
**FACILITIES CHARGE**

In the event that ninety (90%) percent of all Lots within the West Bay Subdivision are not improved within five (5) years from the date that U.S. West Communications, Inc. shall have completed its distribution system and filed notice of such completion ("Five Year Term"), then such unimproved Lot shall be subject to a charge of Four Hundred Fifty (\$450.00) Dollars.

A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the County or other appropriate governmental authority.

Should such charge be implemented by U.S. West Communications, Inc. and remain unpaid, then such charge may draw interest at the rate of twelve (12%) percent per annum commencing after the expiration of sixty (60) days from the time all of the following events have occurred: (1) expiration of the Five Year Term, (2) ninety percent (90%) of the Lots in West Bay remain unimproved, and (3) each owner of record is to send a written statement for Four Hundred Fifty Dollars (\$450.00) per unimproved Lot owned.

**ARTICLE IV  
HOMEOWNER'S ASSOCIATION**

A. The following definitions shall apply for the purposes of this Article:

- 1. "Association" shall mean and refer to the West Bay Homeowners Association, Inc., its successors and assigns, a Nebraska non-profit corporation.
- 2. "Improved Lot" shall mean and refer to any Lot of the Properties on which a dwelling has been erected and the construction thereof is substantially complete.

All other definitions contained in Article I will likewise be applicable to this Article.

B. Every owner shall be a member of the West Bay Homeowner's Association to be established for the purpose of maintaining the entry islands, sign areas and cul-de-sac islands for West Bay and/or any perimeter fence or sign for the West Bay subdivision built by the Declarant. The Homeowner's Association shall cover all of the lots in West Bay. Membership shall be appurtenant to and may not be separated from ownership of any Lot.

C. The Declarant, for each Lot owned within the Properties as defined herein, hereby covenants and each owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed covenant and agreed to pay to the Association regular annual maintenance assessments for the charges for the purposes hereinafter set forth, which assessments, together with interest, costs, and reasonable attorneys' fees shall be and constitute, until paid, a continuing charge against and a lien upon such Lot or property against which each such assessment is made.

D. The assessments levied by the Association shall be used exclusively without any part of the net earnings inuring to the private benefit of its members, to maintain the West Bay Subdivision cul-de-sac, perimeter fences built by the Declarant, entryway islands, subdivision sign for the West Bay subdivision built by Declarant, and sign areas and more particularly for the watering, maintenance and replacement of trees, grass and shrubbery planted thereon.

E. Before each fiscal year, the Board of Directors of the Association shall adopt and fix in reasonably itemized detail an annual budget for the then anticipated fiscal affairs and general operations for the Association for that year, and shall levy and collect annual assessments from each Lot on the Properties, which shall be sufficient to fund the budget for the fiscal year. In recognition of the fact that the sole purpose of this Homeowner's Association is for the maintenance of the areas described in Subparagraph D above, the regular assessment for each Lot for the initial year shall be Twenty-Five (\$25.00) Dollars and for each improved Lot shall be Fifty (\$50.00) Dollars. The regular assessment for each unimproved Lot shall be no more than fifty (50%) percent of the regular assessment for improved lots.

F. The regular annual assessments provided for herein shall commence as to all Lots on the first day of the month following the filing of this Declaration. The regular annual assessments provided herein as to all improvement Lots shall commence the first day of the month following the month during which the dwelling was substantially completed. As provided in the By-laws, the first regular annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment. Written notice of the annual assessment shall be sent to every owner subject thereto. The due date shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certification signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid.

G. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of nine (9%) percent per annum. The Association may foreclose the lien against the property in the same manner as provided by law for foreclosure of mortgages.

H. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

I. All Properties dedicated to, and accepted by, a local public authority and all Properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Nebraska shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

J. The Homeowner's Association is a non-profit corporation originally formed by the Declarant and its Articles of Incorporation and Bylaws, to the extent not inconsistent with this Declaration, are hereby incorporated herein by this reference. In the event of any conflict between the Articles and/or Bylaws of the corporation and this Declaration, then this Declaration shall control.

**ARTICLE V  
GENERAL PROVISIONS**

1. The Declarant or any owner of a Lot named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now, or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded. This Declaration may be amended by Declarant or any person, firm, corporation, partnership, or entity designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion for a period of ten (10) years from the date hereof.

3. In the event of a replatting or subdividing on any or all of the lots in Wet Bay, these Covenants, conditions, restrictions and easements shall apply to such lot or lots.

4. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions hereof which shall remain in full force and effect.

IN WITNESS WHEREOF, the Declarant has caused these presents to be executed this 19th day of August, 1993.
