Amended and Substituted  
PROTECTIVE COVENANTS  
Lakeland Estates

per 1981 Vote of Stockholders

The following Amended Protective Covenants are adopted for all lots in Blocks 1 through 32, inclusive, LAKELAND ESTATES, a subdivision in Washington County, Nebraska. All lots contained in such subdivision are and shall henceforth be owned, held, and used and conveyed subject to the following conditions and protective covenants.

1. All lots shall be used solely as residential lots. No part of said dwelling shall be nearer than 25 feet to the front lot line, 7 feet from each side lot line and 25 feet from the rear lot line.

2. All other detached structures on any lot shall be to the rear of the dwelling and shall be sightly, of neat construction and of a character to enhance the value of the property.

3. When improvements are erected on any lot in this subdivision, the owner shall at the same time construct and connect said improvement to an adequate sewage disposal facility which shall consist of a minimum of a 1,000 gallon septic tank, and connect same in compliance with regulations and specifications of the Nebraska State Health Department of Washington County, Nebraska, which are in effect at the date of recording of the original instrument. When sewage disposal facilities are installed on any lot adjoining the Lake, the owner must install said facilities at the furthestest feasible and practical point from the Lake.

4. No debris, junk or unsightly accumulation of materials shall be allowed to remain on any lot.

5. All materials used in construction of the exterior of any building on any lot shall be new or may also be used materials such as antique brick or stone. All buildings located on any lot shall be finished and painted or stained on the outside. Earth homes with plans approved by Lake Arrowhead, Inc., constructed with the minimum or over square footage and presenting a sightly appearance are also allowed.

6. No dwelling shall be constructed on any lot with less than 1000 square feet of floor space, in Blocks 1 through 32, inclusive, said floor space shall be at ground level and shall, except porches and porticos, include only actual living space under an enclosed roof. No basement shall be occupied as a residence until the dwelling is completed. No trailer shall be used as a residence dwelling, and all buildings must be completed on the outside within six (6) months after the commencement of construction of any type. Any dwelling or garages constructed within said subdivision shall have an enclosed concrete or cement block foundation extending beneath all exterior ground level walls, which foundations shall be located at a minimum of 36 inches below ground level.

7. No dwelling shall be constructed on any lot which is more than two stories in height above ground level.

8. In addition to the easements for utilities shown on the recorded plat of Lakeland Estates, there shall also be reserved

10. No animals other than domestic household pets shall be kept on any lot and said pet shall be kept on a leash when not in an enclosure.

11. The owner of each lot shall mow and keep his lot free of weeds and underbrush. In event the owner fails to mow said weeds and underbrush by May 10 of any calendar year, Lake Arrowhead, Inc. or its agents, shall have the right to mow said lot for the remainder of such calendar year and charge a reasonable fee for such service which shall become a lien against the real estate. In event Lake Arrowhead, Inc., mows weeds and underbrush, it will not be responsible for destruction of flowers and shrubs resulting from such mowing. All property owners who designate to have their lots mowed at a designated fee shall be assessed interest at the highest rate allowable by law per annum from the date the charges become delinquent, thirty (30) days after levy, until paid.

12. All building locations and sewage disposal facilities on each lot must be approved by Lake Arrowhead, Inc., or its agents, before construction begins.

13. All property owners must abide by rules and regulations as to the use of Lake Arrowhead as promulgated by Lake Arrowhead, Inc. For the purpose of future maintenance and improvement of the subdivision, each lot owner, including the developer shall:

a. Automatically receive one share of stock in Lake Arrowhead, Inc. for each lot owned in said subdivision.

b. Pay an annual assessment as determined by majority vote of the stockholders present at the annual meeting of stockholders, and said assessment shall be used for maintenance of Lake Arrowhead and all other public improvements within Lakeland Estates which assessments shall be and become a lien against each lot in said subdivision until discharged by payment in full. All assessments shall be due upon levy and shall become delinquent if not paid within sixty (60) days after levy. Delinquent assessments shall draw interest at the highest rate allowable by law per annum from the date they become delinquent until paid.

c. In event a lot owner defaults under his Contract for Deed, he agrees to transfer his share of stock back to Lake Arrowhead, Inc.

14. Lake Arrowhead, Inc., shall own and maintain Lake Arrowhead and the road system in Lakeland Estates.

15. These covenants may be amended at any time by vote of a majority of the legal title holders of lots within said subdivision at a meeting called by any lot owner for that purpose. Each legal title owner shall have one vote at such meeting, and in the event of multiple ownership of any lot, there shall be only one vote per lot.

16. These protective covenants are adopted for benefit of each lot owner in the subdivision and for the purpose of enhancing the value of each lot. These protective covenants shall run with the land.

The following amended Protective Covenants are adopted for all lots in Blocks 1 through 32, inclusive, LAKELAND ESTATES, a subdivision in Washington County, Nebraska. All lots contained in such subdivision are and shall henceforth be owned, held, and used and conveyed subject to the following conditions and protective covenants.

1. All lots shall be used as residential lots except Lot 1, Block 14, which may be used for commercial use. No part of said dwelling shall be nearer than 25 feet from the front lot line, 7 feet from each side lot line and 25 feet from the rear lot line. Corner lots shall maintain the same setback from both roads with a 25 foot minimum if other dwellings are non-existent. All dwellings shall be constructed facing the street upon which they are built except earth shelter homes, and shall have one door at least 36" wide and one window that exits on the street side of the dwelling, said door shall be located so that entry may be gained to the main living area of the dwelling without passing through garage, laundry, kitchen or utility-service areas.

2. Storage sheds, carports, detached garages and other outbuildings shall be located no closer to roads than foundation line of dwelling. All structures of this type shall be of neat construction and of such a character as to enhance the value of the property.

3. When improvements are erected on any lot in this subdivision, the owner shall at the same time construct and connect said improvement to an adequate sewage disposal facility which shall consist of a minimum of a 1,000 gallon septic tank, and connect same in compliance with regulations and specifications of the Nebraska State Health Department of Washington County, Nebraska, which are in effect at the date of recording of the original Protective Covenants of Lakeland Estates. When sewage disposal facilities are installed on any lot adjoining the Lake, septic tanks and absorption fields must be between the dwelling and the road.

4. No debris, junk or unsightly accumulation of materials shall be allowed to remain on any lot.

5. All materials used in construction of any building on any lot shall be new. Used antique brick or stone is permitted for decorative purposes. Frame construction shall be with wall studs, joists and rafters on 16" centers or equivalency. Roof overhang shall be a minimum of 12" at gable ends. All other overhangs to be 24" except at certain locations, such as bay windows. Earth homes with plans approved by Lake Arrowhead, Inc., constructed with the minimum or over square footage and presenting a slightly appearance are also allowed.

6. No dwelling shall be constructed on any lot with less than 850 sq. ft. of floor space on the main level in Blocks One (1) through Thirty-two (32) inclusive EXCEPT on Lots One (1) through Nineteen (19) in Block Seven (7); Lots One (1) through Thirteen (13) in Block Twenty; Lots One (1) through Seventeen (17) inclusive in Block Twenty-five (25); and Lots Eleven (11) through Twenty (20) inclusive, in Block Twenty six (26) where floor space shall be not less than 1,000 sq. ft., said floor space, except porches and porticos, include only actual living space under an inclosed roof or one (1) or one and one-half (1 1/2) or two (2) story dwellings on the ground floor. No basement shall be occupied as a residence until the dwelling is completed. No trailer or double wide trailer shall be used as a residence dwelling, and all buildings must be completed on the outside within six (6) months after the commencement of construction of any type. Any dwelling or garages constructed within said subdivision shall have an enclosed foundation extending beneath all exterior ground level walls, which foundation shall be located at a minimum of thirty-six (36) inches below ground level.

7. No dwelling shall be constructed on any lot which is more than two stories in height above ground level.

8. In addition to the easements for utilities shown on the recorded plat of Lakeland Estates, there shall also be reserved a five (5) foot strip along each lot line of each lot in said subdivision. All public utilities shall have the right to use and occupy those areas designated as Lanes and Drives in said platting, the same as if they were dedicated public Lanes and Drives.

9. No signs may be placed or maintained on any residential lot other than the name or names of the owners and such signs shall be no longer than thirty (30) inches long and eighteen (18) inches wide. Signs for the sale of a house may be displayed on said lot.

10. No animals other than domestic household pets shall be kept on any lot and said pet shall be kept on a leash when not in an enclosure.

11. The owner of each lot shall mow and keep his lot free of weeds and underbrush. In event the owner fails to mow said weeks and underbrush by May 15 of any calendar year, Lake Arrowhead, Inc. or it's agents, shall have the right to mow said lot for the remainder of such calendar year and charge a reasonable fee for such service which shall become a lien against the real estate. In event Lake Arrowhead, Inc. mows weeds and underbrush, it will not be responsible for destruction of flowers and shrubs resulting from such mowing. All property owners who designate to have their lots mowed at a designated fee shall be assessed interest up to the highest rate allowable by law per annum from the date the charges become delinquent, thirty (30) days after levy, until paid.

12. Complete building plans are to be approved by Lake Arrowhead, Inc., or it's agents, including a sewage disposal field location plan for permanent records before construction begins.

13. All property owners must abide by rules and regulations as to use of Lake Arrowhead as promulgated by Lake Arrowhead, Inc. For the purpose of future maintenance and improvement of the subdivision, each lot owner, including the developer shall:

- a. Automatically receive one share of stock in Lake Arrowhead, Inc. for each lot owned in said subdivision.
- b. Pay an annual assessment as determined by majority vote of the stockholders present at the annual meeting of stockholders, and said assessment shall be used for maintenance of Lake Arrowhead and all other public improvements within Lakeland Estates, which assessments shall be and become a lien against each lot in said subdivision until discharged by payment in full. All assessments shall be due upon levy and shall become delinquent if not paid within sixty (60) days after levy. Delinquent assessments shall draw interest at a rate up to the highest rate allowable by law per annum from the date the charges become delinquent until paid.
- c. In event a lot owner defaults under his Contract for Deed, he agrees to transfer his share of stock back to Lake Arrowhead, Inc.

14. Lake Arrowhead, Inc., shall own and maintain Lake Arrowhead and the road system in Lakeland Estates.

15. These covenants may be amended at any time by vote of a majority of the legal title holders of lots within said subdivision, at a meeting called by any lot owner for that purpose. Each legal title owner shall have one vote at such meeting, and in the event of multiple ownership of any lot, there shall be only one vote per lot.

16. These protective covenants are adopted for benefit of each lot owner in the subdivision and for the purpose of enhancing the value of each lot. These protective covenants shall run with the land. Any owner may bring proceedings at law or in equity to prevent or remedy violation of any protective covenant and these covenants shall remain in force and effect until January 1, 1990. At such time, they shall automatically be extended for successive periods of ten years, unless by vote of the majority of the then legal title owners of the lots, it is agreed to change said covenants in whole or in part. These protective covenants cannot be amended concerning those sections pertaining to public utilities easements.

17. Invalidation of any one of these covenants by judgment of Court order shall in no way affect the other protective covenants which shall remain in force and effect.

18. Earth sheltered homes shall meet the following additional requirements:

- a. A minimum of 18" of earth shall cover the roof of dwelling or roof shall have a minimum slope of 2" per foot. Exposed roofs shall be finished in either lapped shingles, tiles, or white gravel embedded in a flood coat of hot roof tar. Roll type roofing is not acceptable as a finish roofing material.
- b. All habitable rooms within dwelling have exterior glazed openings to allow for natural light and ventilation. Such glaze openings shall be equal to or greater than one-tenth of the floor space in each room, but not less than 10 sq. ft. per room. Bathrooms, laundry rooms, and similar type rooms shall have openable exterior openings for natural ventilation equal to or greater than one-twentieth the floor space of each such room but not less than 1 1/2 sq. ft. per room. In lieu of natural ventilation for bathrooms, laundry rooms and similar type rooms, Mechanical ventilation connected directly to the outside and capable of providing five complete air changes per hour may be provided.
- c. Earth sheltered homes must be built on a lot sloping with final grading to insure that water will positively drain off of lot without pumping or other methods

Such glaze openings shall be equal to or greater than one-tenth of the floor space in each room, but not less than 10 sq. ft. per room. Bathrooms, laundry rooms, and similar type rooms shall have openable exterior openings for natural ventilation equal to or greater than one-twentieth the floor space of each such room but not less than 1 1/2 sq. ft. per room. In lieu of natural ventilation for bathrooms, laundry rooms and similar type rooms, Mechanical ventilation connected directly to the outside and capable of providing five complete air changes per hour may be provided.
- c. Earth sheltered homes must be built on a lot sloping with final grading to insure that water will positively drain off of lot without pumping or other methods which may lead to ponding of water.
- d. All entrances to dwelling shall be at or near the main floor level of dwelling and shall not be located higher than eave of dwelling on the side entrance is located. In no case shall an entrance be recessed in a well or above a roof. The main entrance to an earth shelter type home need not be on the street side of dwelling providing:
  - (1). Lot slopes away from road, making entrance on street side impractical.
  - (2). No other entrance is located on street side of dwelling.
  - (3). No more than 25% of structure wall is visible above grade on street side of dwelling.

No materials commonly used in construction of basements, such as steel windows or concrete blocks, etc., shall be allowed on the side of the dwelling facing the street, nor shall it be used predominately on any other portion of dwelling visible above grade. utility entrances to the dwelling shall be buried.

- e. Earth shelter type dwellings shall have a minimum of 850 sq. ft. on the level served by the main entrance. Should any portion of dwelling extend more than four feet above grade, that portion of dwelling shall also be a minimum of 850 sq. ft. in area except for 1000 sq. ft. minimum building area in lots as stated in Covenant #6 above.
- f. Storage sheds, carports, garages and other outbuildings shall be constructed in a similar manner and in no case shall the roof of such structure be higher than the main roof of the dwelling. Detached garages for earth shelter type homes may be located on the street side of the dwelling providing that the main entrance to dwelling is also on the street side, and that garage doors do not face the street.
- g. Off street parking shall be provided for all dwellings, and parking shall be provided in such a manner that the roof

All dwellings shall be constructed facing the street upon which they are built except earth shelter homes, and shall have one door at least 36" wide and one window that exists on the street side of the dwelling, said door shall be located so that entry may be gained to the main living area of the dwelling without passing through garage, laundry, kitchen or utility service area.

2. Storage sheds, carports, detached garages and other outbuildings shall be located no closer to roads than foundation line of dwelling. All structures of this type shall be of neat construction and of such a character as to enhance the value of the property.

3. When improvements are erected on any lot in this subdivision, the owner shall at the same time construct and connect said improvement to an adequate sewage disposal facility which shall consist of a minimum of a 1,000 gallon septic tank, and connect same in compliance with regulations and specifications of the Nebraska State Health Department of Washington County, Nebraska, which are in effect at the date of recording of the original Protective Covenants of Lakeland Estates. When sewage disposal facilities are installed on any lot adjoining the Lake, septic tanks and absorption fields must be between the dwelling and the road.

4. No debris, junk or unsightly accumulation of materials shall be allowed to remain on any lot.

5. All materials used in construction of any building on any lot shall be new. Used antique brick or stone is permitted for decorative purposes. Frame construction shall be with wall studs, joists and rafters at 16 inches on center. Roof trusses may also be used with a maximum spacing of 24 inches on center unless other provisions regarding frame construction and roof trusses have been adopted and incorporated into the applicable building code by the appropriate governing body of Washington

County, Nebraska or any other applicable political subdivision which now or may have jurisdiction over the building codes of Lakeland Estates. In such case, the provisions of such applicable building code regarding framing and roof trusses shall be deemed acceptable and in compliance with these covenants. Construction other than conventional wood framing may also be employed with complete detailed building plans by a licensed building contractor or architect. Roof overhangs shall be a minimum of 12 inches at gable ends, and 16 inches at all other locations, except where to do so would detract from the appearance, such as bay windows, or affect the function of a dwelling.

6. No dwelling shall be constructed on any lot with less than 850 square feet of floor space on the main level in Blocks One (1) through Thirty-two (32) inclusive EXCEPT on Lots One (1) through Nineteen (19) in Block Seven (7); Lots One (1) through thirteen (13) in Block Twenty (20); Lots One (1) through Seventeen (17) inclusive in Block Twenty-five (25); and Lots Eleven (11) through Twenty (20) inclusive in Block Twenty-six (26) where floor space shall not be less than 1,000 square feet, said floor space, except porches and porticos, include only actual living space under an enclosed roof on one (1) or one and one-half (1 1/2) or two (2) story dwellings on the ground floor. No basement shall be occupied as a residence until the dwelling is completed. Trailers, double-wide trailers or factory-built modular homes shall not be allowed as a residence dwelling. All buildings must be completed on the outside within six (6) months after the commencement of construction of any type. Any dwelling including attached garages, shall have a complete foundation beneath all load-bearing walls, which foundation shall extend below frost line and otherwise meet all requirements of all building codes in effect.

7. No dwelling shall be constructed on any lot which is more than two stories in height above ground level.

8. In addition to the easements for utilities shown on the recorded plat of Lakeland Estates, there shall also be reserved a five (5) foot strip along each lot line of each lot in said subdivision. All public utilities shall have the right to use and occupy those areas designated as lanes and drives in said platting, the same as if they were dedicated public Lanes and Drives.

9. No signs may be placed or maintained on any residential lot other than the name or names of the owners and such signs shall be no longer than thirty (30) inches long and eighteen (18) inches wide. Signs for the sale of a house may be displayed on said lot.

10. No animals other than domestic household pets shall be kept on any lot and said pet shall be kept on a leash when not in an enclosure.

11. The owner of each lot shall mow and keep his lot free of weeds and underbrush. In event the owner fails to mow said weeds and underbrush by May 15 of any calendar year, Lake Arrowhead, Inc., or its agents,, shall have the right to mow said lot for the remainder of such calendar year and charge a reasonable fee for such service which shall become a lien against the real estate. In event Lake Arrowhead, Inc. mows weeds and underbrush, it will not be responsible for destruction of flowers and shrubs resulting from such mowing. All property owners who designate to have their lots mowed at a designated fee shall be assessed interest up to the highest rate allowable by law per annum from the date the charges become delinquent, thirty (30) days after levy, until paid.

12. Complete building plans are to be approved by Lake Arrowhead, Inc., or its agents, including a sewage disposal field location plan for permanent records before construction begins.

13. All property owners must abide by rules and regulations as to use of Lake Arrowhead as promulgated by Lake Arrowhead, Inc. For the purpose of future maintenance and improvement of the subdivision, each lot owner, including the developer shall:

- a. Automatically receive one certificate of membership in Lake Arrowhead, Inc. for each lot owned in said subdivision.
- b. Pay an annual assessment as determined by majority vote of the certificate holders present at the annual meeting of certificate holders, and said assessment shall be used for maintenance of Lake Arrowhead and all other public improvements within Lakeland Estates, which assessments shall be and become a lien against each lot in said subdivision until discharged by payment in full. All assessments shall be due upon levy and shall become delinquent if not paid within sixty (60) days after levy. Delinquent assessments shall draw interest at a rate up to the highest rate allowable by law per annum from the date the charges become delinquent until paid.
- c. In event a lot owner defaults under his Contract for Deed, he agrees to transfer his certificate of membership to Lake Arrowhead, Inc.

14. Lake Arrowhead, Inc., shall own and maintain Lake Arrowhead and the road system in Lakeland Estates.

15. These covenants may be amended at any time by vote of a majority of the legal title holders of lots within said subdivision, at a meeting called by any lot owner for that purpose. Each legal title owner shall have one vote at such meeting, and in the event of multiple ownership of any lot, there shall be only one vote per lot.

16. These protective covenants are adopted for benefit of each lot owner in the subdivision and for the purpose of enhancing the value of each lot. These protective covenants shall run with the land. Any owner may bring proceedings at law or in equity to prevent or remedy violation of any protective covenant and these covenants shall remain in force and effect until January 1, 1990. At such time, they shall automatically be extended for successive periods of ten years, unless by vote of the majority of the then legal title owners of the lots, it is agreed to change said covenants in whole or in part. These protective covenants cannot be amended concerning those sections pertaining to public utilities easements.

17. Invalidation of any one of these covenants by judgment of Court order shall in no way affect the other protective covenants which shall remain in force and effect.

18. Earth sheltered homes shall meet the following additional requirements:

- a. A minimum of 18" of earth shall cover the roof of dwelling or roof shall have a minimum slope of 2" per foot. Exposed roofs shall be finished in either lapped shingles, tiles, or white gravel embedded in a food coat of hot roof tar. Roll type roofing is not acceptable as a finish roofing material.
- b. All habitable rooms within dwelling have exterior glazed openings to allow for natural light and ventilation. Such glaze openings shall be equal to or greater than one-tenth of the floor space in each room, but not less than 10 sq. ft. per room. Bathrooms, laundry rooms, and similar type rooms shall have openable exterior openings for natural ventilation equal to or greater than one-twentieth the floor space of each such room but not less than 1 1/2 sq. ft. per room. In lieu of natural ventilation for bathrooms, laundry rooms and similar type rooms, mechanical ventilation connected directly to the outside and capable of providing five complete air changes per hour may be provided.

- c. Earth sheltered homes must be built on a lot sloping with final grading to insure that water will positively drain off of lot without pumping or other methods which may lead to ponding of water.
- d. All entrances to dwelling shall be at or near the main floor level of dwelling and shall not be located higher than eave of dwelling on the side entrance is located. In no case shall an entrance be recessed in a well or above a roof. The main entrance to an earth shelter type home need not be on the street side of dwelling providing:
- (1) Lot slopes away from road, making entrance on street side impractical.
  - (2) No other entrance is located on street side of dwelling.
  - (3) No more than 25% of structure wall is visible above grade on street side of dwelling.

No materials commonly used in construction of basements, such as steel windows or concrete blocks, etc., shall be allowed on the side of the dwelling facing the street, nor shall it be used predominantly on any other portion of dwelling visible above grade. Utility entrances to the dwelling shall be buried.

- e. Earth shelter type dwellings shall have a minimum of 850 sq. ft. on the level served by the main entrance. Should any portion of dwelling extend more than four feet above grade, that portion of dwelling shall also be a minimum of 850 sq. ft. in area except for 1000 sq. ft. minimum building area in lots as stated in Covenant #6 above.
- f. Storage sheds, carports, garages and other outbuildings shall be constructed in a similar manner and in no case shall the roof of such structure be higher than the main roof of the dwelling. Detached garages for earth shelter type homes may be located on the street side of the dwelling providing that the main entrance to dwelling is also on the street side, and that garage doors do not face the street.
- g. Off street parking shall be provided for all dwellings, and parking shall be provided in such a manner that the roof of parked vehicles shall not extend higher than the roof peak of dwelling.

- h. Plumbing vents shall be located as close to center of dwelling, and as high as possible to aid in control of odors. Under no circumstances shall vents be located closer than 10 feet from the edge of eaves, nor closer than 20 feet from property lines.
  - i. Chimneys shall be located as high as possible to minimize drifting smoke over adjacent properties and roads. Installation shall be in accordance to local building codes, but in no case termination of chimney be lower than 6 feet above the ground or closer than 20 feet from property lines.
19. These amended and substituted protective covenants shall be submitted for any and all protective covenants adopted by Lakeland Estates.
20. Adjacent dwellings shall be dissimilar in floor plans, room arrangements, and front elevation.
21. New dwellings constructed on same road on any given block where dwellings are existing, said new dwelling will have the same setback from the road as the nearest existing dwelling so as to present a neat and orderly appearance, except where placement of the septic system would necessitate a variation.
22. The storage or long-term parking of any motor vehicle, boat, trailer, snowmobile, motor home or any other motorized or non-motorized apparatus on the platted roads within Lakeland Estate is prohibited other than on a temporary basis not to exceed 48 hours.

The foregoing Amended and Substituted Protective Covenants were adopted by a majority of the legal title holders of lots within Lakeland Estates, a subdivision in Washington County, Nebraska, at its annual meeting of title holders held on August 12, 1991, at which the issue of the foregoing amendments to the Protective Covenants were duly noted on the Agenda of said annual meeting, and that sufficient and timely notice was provided to all of the title holders of said subdivision, and at which said title holders voted either personally or by absentee ballot submitted to the Board of Directors of Lake Arrowhead, Inc., by mail.

**Amended and Additional Protective Covenants  
Per August 4, 2003 Vote of Legal Title Holders**

CHARLOTTE L. PETERSEN  
WASHINGTON COUNTY, CLERK  
BLAIR, NEBR.

The following Amended and Additional Protective Covenants are adopted for all lots in Blocks 1 through 32, inclusive, LAKELAND ESTATES, a subdivision in Washington County, Nebraska. All lots contained in such subdivision are and shall henceforth be owned, held and used and conveyed subject to the following conditions and protective covenants,

1. All lots shall be used exclusively as residential lots except Lot 1, Block 14, which may be used for commercial use. No part of said dwelling shall be nearer than 25 feet from the front lot line, 7 feet from each side lot line and 25 feet from the rear line. The setback from lot lines on corner lots shall be 25 feet in front and 15 feet from all other roads. All dwellings shall be constructed facing the street upon which they are built except earth shelter homes, and shall have one door at least 36 in. wide and one window that exists on the street side of the dwelling, said door shall be located so that entry may be gained to the main living area of the dwelling without passing through garage, laundry, kitchen or utility service area.

11. The owner of each lot shall mow and keep his lot free of weeds and underbrush. In event the owner fails to mow said weeds and underbrush, Lake Arrowhead, Inc. or its agents, shall have the right to mow said lot for the remainder of such calendar year and charge a reasonable fee for such service which shall become a lien against the real estate. In event Lake Arrowhead, Inc. mows weeds and underbrush; it will not be responsible for destruction of flowers, shrubs and trees resulting from such mowing. All property owners who designate to have their lots mowed at a designated fee shall be assessed interest up to the highest rate allowable by law per annum from the date the charges become delinquent, thirty (30) days after levy, until paid. Dead and diseased trees or tree limbs in way of mowing shall be removed by the owner from any developed or any undeveloped lot. If lot owner fails to remove the same upon 30 day written notice to the lot owner the fee charged by Lake Arrowhead, Inc. or its contractor to remove dead or diseased trees from owners lot shall become a lien against the real estate.

24. No unlicensed, uninsured person may operate any motor Vehicle, car, truck, dirt bike, ATV, go-kart, mini-bike, etc. on any Lake Arrowhead, Inc. property without parental supervision.

25. It shall be unlawful for any person to discharge or release any instrument, to exclude fireworks, which propels a projectile across or into any public place or into the private property of any other person.

26. Repair of boats, automobiles, trucks, campers, or similar vehicles shall not be allowed outdoors on any lot at any time, not to exceed a period of 48 hours, nor shall unsightly vehicles be visible, parked, or abandoned on any lot.

27. Lakefront lot owners shall be responsible for maintenance, soil retention, and to take measures to prevent soil erosion from shoreline abutting their lot. Also, any boat docks must be maintained in such a manner as to not distract from the lake and also should not become a safety hazard.

28. Lake Arrowhead, Inc. shall have the right to repair or remove any culvert that obstructs the natural flow of water. If such occurs, such obstruction may be removed by Lake Arrowhead, Inc., and lot owner shall be charged accordingly. If the lot owner does not correct the problem to meet the specifications of Lake Arrowhead, Inc., the fee charged by Lake Arrowhead, Inc. or its contractor to remove such obstruction; if unpaid by lot owner, shall become a lien against the real estate.

30. Any lot owner damaging the Lakeland Estates roads will be responsible to pay for such damage caused. The damage will be repaired by Lake Arrowhead, Inc. or its agents and the fee for such service shall become a lien against the real estate. The weight limit on the Lakeland Estates Roads will be (to be determined).

31. Noise shall be subject to regulation and control by Lake Arrowhead, Inc. Noise emitting vehicles, toys and speakers shall not be permitted where they infringe upon the tranquility of Lakeland Estates. Lake Arrowhead, Inc. shall be the sole authority on determining "appropriate" noise levels on an individual basis.

32. Designate Grasshopper Park (Lots 1 & 13 in Block 16), North Beach (Lot 20 in Block 7, Lot 1 in Block 20) and South Beach (Lot 21 in Block 26) as permanent park areas.

33. Buildings, in addition to homes, built on any lot cannot exceed 15 feet high sidewalls nor exceed the height of the house. Exterior material finish of the building must match that of the house.

The foregoing Amended and Additional Protective Covenants were adopted by a majority of the legal title holders of lots within Lakeland Estates, a subdivision in Washington County, Nebraska, at its annual meeting of title holders held on August 4, 2003, at which the issue of the foregoing amendments and additions to the Protective Covenants were duly noted on the Agenda of said annual meeting, and that sufficient and timely notice was provided to all of the title holders of said subdivision, and at which said title holders voted personally by ballot submitted to the Board of Directors of Lake Arrowhead, Inc.

**Amended and Substituted Protective Covenants  
Per 1991 Vote of Legal Title Holders**

The following Amended Protective Covenants are adopted for all lots in Blocks 1 through 32, inclusive, LAKELAND ESTATES, a subdivision in Washington County, Nebraska. All lots contained in such subdivision are and shall henceforth be owned, held and used and conveyed subject to the following conditions and protective covenants,

Covenant 1 was amended by a majority vote at the August 4, 2003 Annual Meeting.

Filed 03 September 18

Blair, NE

1. All lots shall be used exclusively as residential lots except Lot 1, Block 14, which may be used for commercial use. No part of said dwelling shall be nearer than 25 feet from the front lot line, 7 feet from each side lot line and 25 feet from the rear line. The setback from lot lines on corner lots shall be 25 feet in front and 15 feet from all other roads. All dwellings shall be constructed facing the street upon which they are built except earth shelter homes, and shall have one door at least 36 in. wide and one window that exists on the street side of the dwelling, said door shall be located so that entry may be gained to the main living area of the dwelling without passing through garage, laundry, kitchen or utility service area.
2. Storage sheds, carports, detached garages and other outbuildings shall be located no closer to roads than foundation line of dwelling. All structures of this type shall be of neat construction and of such a character as to enhance the value of the property.
3. When improvements are erected on any lot in this subdivision, the owner shall at the same time construct and connect said improvement to an adequate sewage disposal facility which shall consist of a minimum of a 1,000 gallon septic tank, and connect same in compliance with regulations and specifications of the Nebraska State Health Department of Washington County, Nebraska, which are in effect at the date of recording of the original Protective Covenants of Lakeland

Estates. When sewage disposal facilities are installed on any lot adjoining the Lake, septic tanks and absorption fields must be between the dwelling and the road.

4. No debris, junk or unsightly accumulation of materials shall be allowed to remain on any lot.
5. All materials used in construction of any building on any lot shall be new. Used antique brick or stone is permitted for decorative purposes. Frame construction shall be with wall studs, joists and rafters at 16 inches on center. Roof trusses may also be used with a maximum spacing of 24 inches on center unless other provisions regarding frame construction and roof trusses have been adopted and incorporated into the applicable building code by the appropriate governing body of Washington County, Nebraska or any other applicable political subdivision which now or may have jurisdiction over the building codes of Lakeland Estates. In such case, the provisions of such applicable building code regarding framing and roof trusses shall be deemed acceptable and in compliance with these covenants. Construction other than conventional wood framing may also be employed with complete detailed building plans by a licensed building contractor or architect. Roof overhangs shall be a minimum of 12 inches at gable ends, and 16 inches at all other locations, except where to do so would detract from the appearance, such as bay windows, or affect the function of a dwelling.
6. No dwelling shall be constructed on any lot with less than 850 square feet of floor space on the main level in Blocks One (1) through Thirty-two (32) inclusive EXCEPT on Lots One (1) through Nineteen (19) in Block Seven (7); Lots One (1) through Thirteen (13) in Block Twenty (20); Lots One (1) through Seventeen (17) inclusive in Block Twenty-five (25); and Lots Eleven (11) through Twenty (20) inclusive in Block Twenty-six (26) where floor space shall not be less than 1,000 square feet, said floor space, except porches and porticos, include only actual living space under an enclosed roof on one (1) or one and one-half (1 ½) or two (2) story dwellings on the ground floor. No basement shall be occupied as a residence until the dwelling is completed. Trailers, doublewide trailers or factory-built modular homes shall not be allowed as a residence dwelling. All buildings must be completed on the outside within six (6) months after the commencement of construction of any type. Any dwelling including attached garages shall have a complete foundation beneath all load-bearing walls, which foundation shall extend below frost line and otherwise meet all requirements of all building codes in effect.
7. No dwelling shall be constructed on any lot, which is more than two stories in height above ground level.

8. In addition to the easements for utilities shown on the recorded plat of Lakeland Estates, there shall also be reserved a five (5) foot strip along each lot line of each lot in said subdivision. All public utilities shall have the right to use and occupy those areas designated as lanes and drives in said platting, the same as if they were dedicated public Lanes and Drives.
9. No signs may be placed or maintained on any residential lot other than the name or names of the owners and such signs shall be no longer than thirty (30) inches long and eighteen (18) inches wide. Signs for the sale of a house may be displayed on said lot.

11. The owner of each lot shall mow and keep his lot free of weeds and underbrush. In event the owner fails to mow said weeds and underbrush, Lake Arrowhead, Inc. or its agents, shall have the right to mow said lot for the remainder of such calendar year and charge a reasonable fee for such service which shall become a lien against the real estate. In event Lake Arrowhead, Inc. mows weeds and underbrush; it will not be responsible for destruction of flowers, shrubs and trees resulting from such mowing. All property owners

who designate to have their lots mowed at a designated fee shall be assessed interest up to the highest rate allowable by law per annum from the date the charges become delinquent, thirty (30) days after levy, until paid. Dead and diseased trees or tree limbs in way of mowing shall be removed by the owner from any developed or any undeveloped lot. If lot owner fails to remove the same upon 30 day written notice to the lot owner the fee charged by Lake Arrowhead, Inc. or its contractor to remove dead or diseased trees from owners lot shall become a lien against the real estate.

12. Complete building plans are to be approved by Lake Arrowhead, Inc., or its agents, including a sewage disposal field location plan for permanent records before construction begins.

Covenant 13 amended August 9, 2004  
By a majority vote at the Semi-annual Meeting

13. All property owners must abide by rules and regulations as to use of Lake Arrowhead as promulgated by Lake Arrowhead, Inc. For the purpose of future maintenance and improvement of the subdivision, each lot owner, including the developer shall:
- a. Automatically receive one certificate of membership in Lake Arrowhead, Inc. for each lot owned in said subdivision.
  - b. Pay an annual assessment as determined by majority vote of the certificate holders present at the annual meeting of certificate holders, and said assessment shall be used for maintenance of Lake Arrowhead and all other public improvements within Lakeland Estates, which assessments shall be and become a lien against each lot in said subdivision until discharged by payment in full. All assessments shall be due upon levy and shall become delinquent if not paid within sixty (60) days after levy. Delinquent assessments shall draw interest at a rate up to the highest rate allowable by law per annum from the date the charges become delinquent until paid.
  - c. In event a lot owner defaults under his Contract for Deed, he agrees to transfer his certificate of membership to Lake Arrowhead, Inc.

**AMENDMENT ("AMENDMENT") TO  
SECTION 13 OF AMENDED AND SUBSTITUTED  
PROTECTIVE COVENANTS ("COVENANTS") OF LAKELAND ESTATES  
(Listed on following pages)**

**AMENDMENT ("AMENDMENT") TO  
SECTION 13 OF AMENDED AND SUBSTITUTED  
PROTECTIVE COVENANTS ("COVENANTS") OF LAKELAND ESTATES**

Lake Arrowhead, Inc. ("LA") is hereby authorized to borrow the approximate sum of Six Hundred Fifty-seven Thousand Dollars (\$657,000.00) ("Loan") from Washington County Bank ("Bank") for the purpose of funding the repair and reconstruction of certain roads located in the real property subdivision described as Lakeland Estates, a subdivision in Washington County, Nebraska. Such repair and reconstruction shall be affected by asphalt overlay. Interest on said Loan shall not exceed Seven Percent (7%) per annum, and said Loan shall be repaid in six (6) equal annual installments, commencing November 2005, and payable on the same date of the succeeding five (5) years.

Repayment of the Loan shall be secured by each of the following:

- a) A Deed of Trust on the clubhouse facility ("Clubhouse") owned by LA, which Clubhouse is legally described as Lakeland Estates, 2<sup>nd</sup> ADD Lot 1 Block 14 12K PC 1.
- b) A security interest in (i) all assessments ("Assessments"), annual or otherwise, payable by the shareholders (the term "Shareholders" shall include shareholders, members, and certificate holders of LA) and (ii) the savings account or certificate of deposit (either, "Account") described in <sup>®</sup> of this Amendment, until all sums due and owing to Bank in connection with said Loan are paid in full;
- c) An interest-bearing savings account or certificate of deposit maintained by LA at the Bank in an amount not less than Twenty-five Percent (25%) of an annual installment payable by LA to the Bank pursuant to the Loan; and
- d) An assignment by LA to Bank of any liens that may be assessed by LA pursuant to these Covenants as the result of the failure of a Shareholder to pay any Assessment levied pursuant to these Covenants.

The aggregate amount of the Assessments levied annually by LA shall not be less than the amount of each annual installment payable by LA pursuant to the Loan until all indebtedness due and owing pursuant to the Loan is paid in full. Assessments levied by LA shall be utilized only to pay annual installments that are payable pursuant to the Loan, provided, in the event that the amount of Assessments received by LA during any year exceeds the amount required to be paid to Bank for such year pursuant to the Loan, LA may utilize such excess for such other purpose as LA deems appropriate. (The authorization granted in the preceding sentence shall not permit LA to expend any sums that are subject to a security interest for the benefit of Bank.)

## AMMENDMENT TO COVENANT 13 CONTINUED:

The terms, provisions, and conditions of this Amendment are irrevocable and may not, without the prior written consent of bank, be modified or amended in any respect until the entire indebtedness due and owing to Bank pursuant to the Loan has been paid in full.

Additionally, any provisions included in these Covenants that provide (i) that Assessments not paid by a Shareholder shall constitute a lien upon the lot(s) owned by such Shareholder in Lakeland Estates, and (ii) that a Shareholder shall transfer to LA such Shareholder's Certificate of Membership upon failure to pay Assessments levied by LA, may not be modified or amended in any respect until all indebtedness due and owing pursuant to the Loan is paid in full.

John Wupper, president ("President") of LA, is hereby authorized to execute and deliver to Bank any and all documents required by Bank in connection with the Loan ("Loan Documents"), including but not limited to, the following:

- a) A Promissory Note evidencing the Loan;
- b) Deed of Trust securing a lien for the benefit of the Bank on the Clubhouse; and
- c) Security Agreement granting to Bank a security interest in the Assessments, the Account, and any liens that may be created as the result of the failure of a Shareholder to pay any Assessment,

Upon such terms and conditions as shall be approved by said President, his approval to be conclusively established by his execution thereof. The President is further authorized and empowered to execute such additional documents and to take such other and further action as may be required to effectuate the purpose and intent of this Amendment. Any successor-in-interest to the President shall be vested with all power and authority granted by this Amendment.

Notwithstanding any term or provision contained in the Bylaws of LA, the President, acting singularly, may execute each of the Loan Documents, and it shall not be necessary to affix the corporate seal to any Loan Document.

14. Lake Arrowhead, Inc., shall own and maintain Lake Arrowhead and the road system in Lakeland Estates.
15. These covenants may be amended at any time by vote of a majority of the legal title holders of lots within said subdivision, at a meeting called by any lot owner for that purpose. Each legal title

owner shall have one vote at such meeting, and in the event of multiple ownership of any lot, there shall be only one vote per lot.

16. These protective covenants are adopted for benefit of each lot owner in the subdivision and for the purpose of enhancing the value of each lot. These protective covenants shall run with the land. Any owner may bring proceedings at law or in equity to prevent or remedy violation of any protective covenant and these covenants shall remain in force and effect until January 1, 1990. At such time, they shall automatically be extended for successive periods of ten years, unless by vote of the majority of the then legal title owners of the lots, it is agreed to change said covenants in whole or in part. These protective covenants cannot be amended concerning those sections pertaining to public utilities easements.
17. Invalidation of any one of these covenants by judgment of Court order shall in no way affect the other protective covenants which shall remain in force and effect.
18. Earth sheltered homes shall meet the following additional requirements:
  - a. A minimum of 18 inches of earth shall cover the roof of dwelling or roof shall have a minimum slope of 2 inch per foot. Exposed roofs shall be finished in either lapped shingles, tiles, or white gravel embedded in a food coat of hot roof tar. Roll type roofing is not acceptable as a finish roofing material.
  - b. All habitable rooms within dwelling have exterior glazed openings to allow for natural light and ventilation. Such glaze openings shall be equal to or greater than one-tenth of the floor space in each room, but not less than 10 sq. ft. per room. Bathrooms, laundry rooms, and similar type rooms shall have openable exterior openings for natural ventilation equal to or greater than one-twentieth the floor space of each such room but not less than 1 1/2 sq. ft. per room. In lieu of natural ventilation for bathrooms, laundry rooms and similar type rooms, mechanical ventilation connected directly to the outside and capable of providing five complete air changes per hour may be provided.
  - c. Earth sheltered homes must be built on a lot sloping with final grading to insure that water will positively drain off of lot without pumping or other methods which may lead to ponding water.

515

- d. All entrances to dwelling shall be at or near the main floor level of dwelling and shall not be located higher than eave of dwelling on the side entrance is located. In no case shall an entrance be recessed in a well or above a roof. The main entrance to an earth shelter type home need not be on the street side of dwelling:
- (1) Lot slopes away from the road, making entrance on street side impractical.
  - (2) No other entrance is located on street side of dwelling.
  - (3) No more than 25% of structure wall is visible above grade on street side of dwelling.

Washington County Clerk  
Blair, NE

1. All lots shall be used exclusively as residential lots except Lot 1, Block 14, which may be used for commercial use. No part of said dwelling shall be nearer than 25 feet from the front lot line, 7 feet from each side lot line and 25 feet from the rear line. The setback from lot lines on corner lots shall be 25 feet in front and 15 feet from all other roads. All dwellings shall be constructed facing the street upon which they are built except earth shelter homes, and shall have one door at least 36 in. wide and one window that exists on the street side of the dwelling, said door shall be located so that entry may be gained to the main living area of the dwelling without passing through garage, laundry, kitchen or utility service area.
2. Storage sheds, carports, detached garages and other outbuildings shall be located no closer to roads than foundation line of dwelling. All structures of this type shall be of neat construction and of such a character as to enhance the value of the property.
3. When improvements are erected on any lot in this subdivision, the owner shall at the same time construct and connect said improvement to an adequate sewage disposal facility which shall consist of a minimum of a 1,000 gallon septic tank, and connect same in compliance with regulations and specifications of the Nebraska State Health Department of Washington County, Nebraska, which are in effect at the date of recording of the original Protective Covenants of Lakeland Estates. When sewage disposal facilities are installed on any lot

adjoining the Lake, septic tanks and absorption fields must be between the dwelling and the road.

4. No debris, junk or unsightly accumulation of materials shall be allowed to remain on any lot.
5. All materials used in construction of any building on any lot shall be new. Used antique brick or stone is permitted for decorative purposes. Frame construction shall be with wall studs, joists and rafters at 16 inches on center. Roof trusses may also be used with a maximum spacing of 24 inches on center unless other provisions regarding frame construction and roof trusses have been adopted and incorporated into the applicable building code by the appropriate governing body of Washington County, Nebraska or any other applicable political subdivision which now or may have jurisdiction over the building codes of Lakeland Estates. In such case, the provisions of such applicable building code regarding framing and roof trusses shall be deemed acceptable and in compliance with these covenants. Construction other than conventional wood framing may also be employed with complete detailed building plans by a licensed building contractor or architect. Roof overhangs shall be a minimum of 12 inches at gable ends, and 16 inches at all other locations, except where to do so would detract from the appearance, such as bay windows, or affect the function of a dwelling.
6. No dwelling shall be constructed on any lot with less than 850 square feet of floor space on the main level in Blocks One (1) through Thirty-two (32) inclusive EXCEPT on Lots One (1) through Nineteen (19) in Block Seven (7); Lots One (1) through Thirteen (13) in Block Twenty (20); Lots One (1) through Seventeen (17) inclusive in Block Twenty-five (25); and Lots Eleven (11) through Twenty (20) inclusive in Block Twenty-six (26) where floor space shall not be less than 1,000 square feet, said floor space, except porches and porticos, include only actual living space under an enclosed roof on one (1) or one and one-half (1 ½) or two (2) story dwellings on the ground floor. No basement shall be occupied as a residence until the dwelling is completed. Trailers, doublewide trailers or factory-built modular homes shall not be allowed as a residence dwelling. All buildings must be completed on the outside within six (6) months after the commencement of construction of any type. Any dwelling including attached garages shall have a complete foundation beneath all load-bearing walls, which foundation shall extend below frost line and otherwise meet all requirements of all building codes in effect.
7. No dwelling shall be constructed on any lot, which is more than two stories in height above ground level.
8. In addition to the easements for utilities shown on the recorded

870

foot strip along each lot line of each lot in said subdivision. All public utilities shall have the right to use and occupy those areas designated as lanes and drives in said platting, the same as if they were dedicated public Lanes and Drives.

9. No signs may be placed or maintained on any residential lot other than the name or names of the owners and such signs shall be no longer than thirty (30) inches long and eighteen (18) inches wide. Signs for the sale of a house may be displayed on said lot.

- b. Pay an annual assessment or special assessment as determined by majority vote of the certificate holders present at the annual meeting of certificate holders. The annual assessment shall be used for maintenance of Lake Arrowhead and all other public improvements within Lakeland Estates. The special improvement assessment shall be used to pay for capital expenditures incurred to extend or preserve the useful life or preserve the structural integrity or safety of the Clubhouse, Lake Arrowhead dam/lake, Lake Arrowhead road system or other public improvements within Lakeland Estates. All assessments shall be due upon levy and shall be and become a lien against each lot in said subdivision until discharged by payment in full. All assessments shall become delinquent if not paid within sixty (60) days after levy; provided, however, a special improvement

Revised Covenant 13b continued:

assessment may become delinquent in equal annual installments over such periods of years, not exceeding ten, as a majority of the certificate holders present at the annual meeting may determine at the time of making the levy. Delinquent assessments shall draw interest at a rate up to the highest rate allowable by law per annum from the date the charges become delinquent until paid.

- c. In event a lot owner defaults under his Contract for Deed, he agrees to transfer his certificate of membership to Lake Arrowhead, Inc.

**AMENDMENT ("AMENDMENT") TO  
SECTION 13 OF AMENDED AND SUBSTITUTED  
PROTECTIVE COVENANTS ("COVENANTS") OF LAKELAND ESTATES**

Lake Arrowhead, Inc. ("LA") is hereby authorized to borrow the approximate sum of Six Hundred Fifty-seven Thousand Dollars (\$657,000.00) ("Loan") from Washington County Bank ("Bank") for the purpose of funding the repair and reconstruction of certain roads located in the real property subdivision described as Lakeland Estates, a subdivision in Washington County, Nebraska. Such repair and reconstruction shall be affected by asphalt overlay. Interest on said Loan shall not exceed Seven Percent (7%) per annum, and said Loan shall be repaid in six (6) equal annual installments, commencing November 2005, and payable on the same date of the succeeding five (5) years.

Repayment of the Loan shall be secured by each of the following:

- a) A Deed of Trust on the clubhouse facility ("Clubhouse") owned by LA, which Clubhouse is legally described as Lakeland Estates, 2<sup>nd</sup> ADD Lot 1 Block 14 12K PC 1.
- b) A security interest in (i) all assessments ("Assessments"). annual or otherwise, payable by the shareholders (the term "Shareholders" shall include shareholders, members, and certificate holders of LA) and (ii) the savings account or certificate of deposit (either, "Account") described in <sup>©</sup> of this Amendment, until all sums due and owing to Bank in connection with said Loan are paid in full;
- c) An interest-bearing savings account or certificate of deposit maintained by LA at the Bank in an amount not less than Twenty-five Percent (25%) of an annual installment payable by LA to the Bank pursuant to the Loan; and

- d) An assignment by LA to Bank of any liens that may be assessed by LA pursuant to these Covenants as the result of the failure of a Shareholder to pay any Assessment levied pursuant to these Covenants.

The aggregate amount of the Assessments levied annually by LA shall not be less than the amount of each annual installment payable by LA pursuant to the Loan until all indebtedness due and owing pursuant to the Loan is paid in full. Assessments levied by LA shall be utilized only to pay annual installments that are payable pursuant to the Loan, provided, in the event that the amount of Assessments received by LA during any year exceeds the amount required to be paid to Bank for such year pursuant to the Loan, LA may utilize such excess for such other purpose as LA deems appropriate. (The authorization granted in the preceding sentence shall not permit LA to expend any sums that are subject to a security interest for the benefit of Bank.)

**AMMENDMENT TO COVENANT 13 CONTINUED:**

The terms, provisions, and conditions of this Amendment are irrevocable and may not, without the prior written consent of bank, be modified or amended in any respect until the entire indebtedness due and owing to Bank pursuant to the Loan has been paid in full.

Additionally, any provisions included in these Covenants that provide (i) that Assessments not paid by a Shareholder shall constitute a lien upon the lot(s) owned by such Shareholder in Lakeland Estates, and (ii) that a Shareholder shall transfer to LA such Shareholder's Certificate of Membership upon failure to pay Assessments levied by LA, may not be modified or amended in any respect until all indebtedness due and owing pursuant to the Loan is paid in full.

John Wupper, president ("President") of LA, is hereby authorized to execute and deliver to Bank any and all documents required by Bank in connection with the Loan ("Loan Documents"), including but not limited to, the following:

- a) A Promissory Note evidencing the Loan;
- b) Deed of Trust securing a lien for the benefit of the Bank on the Clubhouse; and
- c) Security Agreement granting to Bank a security interest in the Assessments, the Account, and any liens that may be created as the result of the failure of a Shareholder to pay any Assessment,

Upon such terms and conditions as shall be approved by said President, his approval to be conclusively established by his execution thereof. The President is further authorized and empowered to execute such additional documents and to take such other and further action as may be required to effectuate the purpose and intent of this Amendment. Any successor-in-interest to the President shall be vested with all power and authority granted by this Amendment.

Notwithstanding any term or provision contained in the Bylaws of LA, the President, acting singularly, may execute each of the Loan Documents, and it shall not be necessary to affix the corporate seal to any Loan Document.

14. Lake Arrowhead, Inc., shall own and maintain Lake Arrowhead and the road system in Lakeland Estates.
15. These covenants may be amended at any time by vote of a majority of the legal title holders of lots within said subdivision, at a meeting called by any lot owner for that purpose. Each legal title owner shall have one vote at such meeting, and in the event of multiple ownership of any lot, there shall be only one vote per lot.
16. These protective covenants are adopted for benefit of each lot owner in the subdivision and for the purpose of enhancing the value of each lot. These protective covenants shall run with the land. Any owner may bring proceedings at law or in equity to prevent or remedy violation of any protective covenant and these covenants shall remain in force and effect until January 1, 1990. At such time, they shall automatically be extended for successive periods of ten years, unless by vote of the majority of the then legal title owners of the lots, it is agreed to change said covenants in whole or in part. These protective covenants cannot be amended concerning those sections pertaining to public utilities easements.
17. Invalidation of any one of these covenants by judgment of Court order shall in no way affect the other protective covenants which shall remain in force and effect.
18. Earth sheltered homes shall meet the following additional requirements:
  - a. A minimum of 18 inches of earth shall cover the roof of dwelling or roof shall have a minimum slope of 2 inch per foot. Exposed roofs shall be finished in either lapped shingles, tiles, or white gravel embedded in a food coat of hot roof tar. Roll type roofing is not acceptable as a finish roofing material.
  - b. All habitable rooms within dwelling have exterior glazed openings to allow for natural light and ventilation. Such glaze openings shall be equal to or greater than one-tenth of the floor space in each room, but not less than 10 sq. ft. per room. Bathrooms, laundry rooms, and similar type rooms shall have openable exterior openings for natural ventilation equal to or greater than one-twentieth the floor space of each such room but not less than 1 1/2 sq. ft. per room. In

lieu of natural ventilation for bathrooms, laundry rooms and similar type rooms, mechanical ventilation connected directly to the outside and capable of providing five complete air changes per hour may be provided.

- c. Earth sheltered homes must be built on a lot sloping with final grading to insure that water will positively drain off of lot without pumping or other methods which may lead to ponding water.
- d. All entrances to dwelling shall be at or near the main floor level of dwelling and shall not be located higher than eave of dwelling on the side entrance is located. In no case shall an entrance be recessed in a well or above a roof. The main entrance to an earth shelter type home need not be on the street side of dwelling:
  - (1) Lot slopes away from the road, making entrance on street side impractical.
  - (2) No other entrance is located on street side of dwelling.
  - (3) No more than 25% of structure wall is visible above grade on street side of dwelling.

No materials commonly used in construction of basements, such as steel windows or concrete block, etc., shall be allowed on the side of the dwelling facing the street, nor shall it be used predominantly on any other portion of dwelling visible above grade. Utility entrances to the dwelling shall be buried.

- e. Earth shelter type dwellings shall have a minimum of 850 sq. ft. on the level served by the main entrance. Should any portion of dwelling extend more than four feet above grade, that portion of dwelling shall also be a minimum of 850 sq. ft., in area except for 1000 sq. ft. minimum building area in lots as stated in Covenant #6 above.
- f. Storage sheds, carports, garages and other outbuildings shall be constructed in a similar manner and in no case shall the roof of such structure be higher than the main roof of the dwelling. Detached garages for earth shelter type homes may be located on the street side of the dwelling providing that the main entrance to dwelling is also on the street side, and that garage doors do not face the street.
- g. Off street parking shall be provided for all dwellings, and parking shall be provided in such a manner that the roof of

876

parked vehicles shall not extend higher than the roof peak of dwelling.

- h. Plumbing vents shall be located as close to center of dwelling, and as high as possible to aid in control of odors. Under no circumstances shall vents be located closer than 10 feet from the edge of eaves, nor closer than 20 feet from property lines.
  - i. Chimneys shall be located as high as possible to minimize drifting smoke over adjacent properties and roads. Installation shall be in accordance to local building codes, but in no case termination of chimney be lower than 6 feet above the ground or closer than 20 feet from property lines.
19. These amended and substituted protective covenants shall be submitted for any and all protective covenants adopted by Lakeland Estates.
20. Adjacent dwellings shall be dissimilar in floor plans, room arrangements, and front elevation.
21. New dwellings constructed on same road on any given block where dwellings are existing, said new dwelling will have the same setback from the road as the nearest existing dwelling so as to present a neat and orderly appearance, except where placement of the septic system would necessitate a variation.
22. The storage or long-term parking of any motor vehicle, boat, trailer, snowmobile, motor home or any other motorized or non-motorized apparatus on the platted roads within Lakeland Estates is prohibited other than on a temporary basis not to exceed 48 hours.
